Re: *United States v. Mark Scott*, 17 Cr. 630 (ER)

Dear Judge Ramos:

In light of the Court's denial of the defendant's post-trial motions, the parties write to propose a schedule for sentencing. The parties jointly propose that the sentencing be scheduled at a date convenient to the Court during the week of December 4 or December 11. The parties further propose that the Government's sentencing submission be due one week before the sentencing date and that the defendant's sentencing submission be due three weeks before the sentencing date.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
